Theological Concepts for Sunday School

What we believe:

God, Creator of all, loves us and is with us always.

Jesus Christ is our friend and teacher. He forgives us, died for all, and loves us all.

All people are created by God and should be treated with love.

The Holy Spirit was sent to believers on Pentecost and is God's presence in us and around the world.

Our Church welcomes all. We are a family, a community of brothers and sisters in Christ, working to carry out God's mission.

Worship is where we joyfully unite to love, honor and worship God; all are welcome.

We celebrate the two **sacraments** in which Jesus himself participated: Baptism and Communion.

The **Bible** teaches us about God and God's relationship with people.

God created the **world** and everything in it; we are to be responsible stewards of it.

We learn **ethics** and **morals** through The Golden Rule, 10 Commandments, and by discovering what being a Christian means in our daily living.
